

Technical drawing of a basketball court layout showing dimensions for the three-point arc, key, and free-throw line. The drawing is oriented vertically with a total width of 1500 units and a total height of 2810 units.

**Top Section (Three-Point Arc):**

- Overall width: 1500
- Distance from side lines to the start of the arc: 365
- Radius of the arc: 1405
- Distance from the center line to the start of the arc: 85
- Distance from the center line to the top of the arc: 1320
- Radius of the top of the arc: 600
- Distance from the center line to the top of the arc: 365
- Distance from the center line to the top of the arc: 85

**Middle Section (Key and Free-throw Line):**

- Distance from the center line to the start of the key: 575
- Radius of the key: 350
- Distance from the center line to the top of the key: 575

**Bottom Section (Three-Point Arc):**

- Overall width: 1500
- Distance from side lines to the start of the arc: 365
- Radius of the arc: 1400
- Distance from the center line to the start of the arc: 840
- Distance from the center line to the top of the arc: 775
- Radius of the top of the arc: 600
- Distance from the center line to the top of the arc: 365
- Distance from the center line to the top of the arc: 85

Technical drawing of a rectangular plate with dimensions and a semi-circular cutout. The overall dimensions are 4000 (width) and 2400 (height). The plate features a semi-circular cutout on the left side with a radius of R600. The cutout is positioned 1500 from the top and bottom edges and 700 from the left edge. The remaining width of the plate is 1800. The drawing also shows a central vertical line and a horizontal line passing through the center of the cutout, with dimensions 900 and 300 indicated. A small rectangular feature is shown on the right edge, 100 units from the top and bottom edges.

WSZYSTKIE LINIE NA BOISKU WYKONAĆ O GRUBOŚCI 5 CM

Technical drawing of a rectangular building with rounded corners. The drawing includes the following dimensions and radii:

- Overall width: 2000
- Overall height: 1200
- Corner radius: R800
- Inner corner radius: R600
- Wall thickness: 200

Technical drawing of a rectangular plate with overall dimensions 1800 (width) and 900 (height). The plate is divided into four vertical sections with widths 600, 300, 300, and 600. The dimensions are indicated by arrows and numbers.

Technical drawing showing a rectangular layout with dimensions and labels. The overall width is 1100 and the overall height is 2400. The layout is divided into several sections:

- Top-left section: 138 (width) x 550 (height).
- Top-right section: 831 (width) x 138 (height).
- Middle-left section: 650 (width) x 650 (height).
- Middle-right section: 415,5 (width) x 650 (height).
- Bottom-left section: 550 (width) x 650 (height).
- Bottom-right section: 650 (width) x 650 (height).
